Get the best, in every aspect

MCC Hot self-serve displays
3 levels

Fri-Jado's MCC Food Displays offer you the best, in every aspect

360° VIEW
Total Visibility

Up to 75%* more product visibility thanks to clever design. Because seeing is buying.

High Capacity

Highest capacity in a small footprint: Up to 30% more display area saves valuable floor space.

Best Performance

Maximum food quality and safety, longer shelf life and less waste thanks to superior hot & cold holding technologies. Which at the same time save up to 50% on energy consumption and costs.

Mix & Match

Combine hot & cold displays side by side or back-to-back and choose from a variety of other options: Self-serve, self-serve with glass doors or full serve, drop-in or floor models, 2, 3 or 4 levels, a solid back or sliding glass doors for rear loading and holding technologies specially developed for packaged and unpackaged food.

Green Efficiency

Made from 99% recyclable components in a solar-powered factory, and equipped with energy saving hot & cold holding technologies, the MCC range reduces environmental impact and lowers your energy bill.

* Compared to the competition according to global ISO standards - TDA ISO 23953

MCC Hot self-serve

Features

- 3-level heated self-serve open display cabinet
- Designed for packaged products
- 600, 900,or 1200 mm wide
- Available with a solid back or as a rear loading model with mirror glass sliding doors on the operator side
- Available with underframe or as a drop-in version that can be integrated in any store concept
- Ready to plug in for quick and easy installation
- Underframe available in any RAL colour
- Slim shelves with adjustable angle
- LED lighting with natural colour reproduction on each shelf
- Patented Hot Blanket technology extends shelf life by fully enclosing the food. It combines a hot airflow per individual shelf (convection) with mild shelf heating (conduction).
- Energy saving hot air recirculation
- Thermopane glass - increased insulation
- Total presentation area:
  - MCC 60-3: 0.72 m²
  - MCC 90-3: 1.15 m²
  - MCC 120-3: 1.58 m²

Accessories

- Price rail set
- Bumper (underframe models)
- Castor set (underframe models)
- Condiment holder
- Merchandising racks
- Shelf dividers
- Shelf insert trays
